Re: **CPR Limited Partnership v. CPR Prompt Corporation, et al.**
American Arbitration Association
Case No. 35 133 00022 01

Dear Gentlemen:

With regard to Order No. 2 dated April 19, 2002, which we first received at approximately noon on April 23, 2002, we have made diligent efforts to locate the four concept disclosures required by paragraph no. 2 of Order No. 2, but due, in part, to the obvious time constraints, we will not be able to comply with the April 24, 2002 deadline set forth therein. In any event, CPR L.P. objects to being ordered to produce documents in support of Respondents' alleged defenses and submits that it is more appropriate for the panel to request any such documents from the Respondents directly.

Very truly yours,

Colleen M. O'Neil
